

MEET MRS. HILTY

Welcome to Kindergarten! I'm so excited to be your teacher this year. This is my 13th year at Wilson and it is an awesome place to be! My son, Sam, is also starting kindergarten this year. He loves dinosaurs and fishing. You may even see him make an appearance every now and then. I'm looking forward to getting to know all of you this year and learning what makes you so special. Let's have a great year, Wildcats!
