September 2019

Dear Parents and Guardians,

Due to our late lunch, the fourth graders will be having a “working snack” this year. Students will be permitted to eat a snack as they complete their classwork. We are asking students to limit their snacks to the following options. As always, we encourage a healthy snack!

**NO** peanut or tree-nut snacks will be allowed in the classroom.

- Fruit/Veggies
- Pretzels (not Snyders)
- Teddy Graham Crackers
- Honey Maid Graham Crackers
- Barnum’s Animal Crackers
- Triscuit/Wheat Thin Crackers
- Goldfish
- String Cheese
- Yogurt

Any other snacks will be asked to be eaten at lunch. Please do not send in juice boxes or drinks in for snack, other than a daily water bottle. This list will be posted on both teacher’s websites for reference.

Thank you,

Mrs. Flanagan & Mrs. Mercer
