

The Hamilton Township School District will be using Chromebooks this school year. In an effort to maintain Internet safety and maximize instructional time on task, we have adopted online services provided by GoGuardian.

We have chosen GoGuardian Admin and GoGuardian Teacher services to help:

- Protect students against harmful and inappropriate online material;
- Students remain academically focused when learning online;
- Assess students' progress towards class assignments;
- Facilitate communication between teachers and students during class time.

When and how does GoGuardian operate?

GoGuardian's web-based services operate on our school's managed Google Suite for Education Chrome accounts (i.e., when a student is logged into Chrome or a Chromebook with his/her school email address).

What are the school's responsibilities?

HTSD selected GoGuardian services to help our students stay safe online. We will work with students to help teach them digital responsibility and safety. Additionally, we will train teachers about how to operate GoGuardian and about our policies and procedures to help protect student privacy.

What are my parental/guardian and child's responsibilities?

We ask that students use their school-managed Google accounts and school-managed devices for educational purposes within the boundaries of instructional time and follow the district's Technology Acceptable Use Agreement.

- Ensure proper internet access and usage at home;
- Discuss rules for appropriate internet usage with your child;
- Reinforce digital citizenship and online safety;
- Report cyberbullying or other sensitive issues to your administration.

More than 10,000 schools use GoGuardian to protect 5.5 million students across the world.

How does GoGuardian help protect my child's privacy?

To help your child remain safe online, GoGuardian collects certain personally identifiable information about your child. GoGuardian has consulted with privacy experts, participates in privacy organizations, is a proud signatory of the [Student Privacy Pledge](#), and has been awarded certifications by [iKeepSafe](#) for complying with both Family Education Rights and Privacy Act and California student privacy laws. For more detailed information about GoGuardian, you may visit GoGuardian's [website](#), [Trust & Privacy Center](#), GoGuardian's [Product Privacy Policy](#), and the attached COPPA Notice and Disclosure Form.
