PERIODIC MEDICAL EXAMINATION NOTIFICATION

FROM: School Nurse

RE: _____ Student's Name

_____ School/Grade

_____ Birth Date (Mo/Day/Yr)

_____ School Address

_____ School Phone Number

All kindergarten students and new entrants to the Hamilton Township School District are required to have a medical examination. Parents/Guardians of students in grades 4, 7, and 10 are notified of the importance of regular medical examinations. Students should have the examinations performed privately by a physician of your choice because the pediatrician or family physician (medical home) is familiar with the student.

When you obtain a private examination, please have the form on the reverse side/or attached completed and returned. The required examination incorporates a review and examination of all body systems.

If your child participates in high school sports, you will need different physical forms completed by the doctor at the time of examination. You can download athletic/sports forms at www.htsdnj.org On the right, under "Select a School", click the down arrow then click on the name of your child's high school. From the high school's website, under "Our School" select "Athletics" and refer to the information on athletic/sports physicals. If you have any questions, please call the school nurse.

PLEASE ATTACH IMMUNIZATION RECORD TO PHYSICAL FORM

Thank you for your cooperation.
