To potential Steinert High School parents and students:

On behalf of the faculty of Steinert High School and the Steinert PTSA, we are extending you a cordial invitation to attend "8th Grade Open House" on Wednesday, March 20, 2024 at 6:30 PM. The program is designed for parents to learn about the purpose of each subject, methods of instruction and evaluation, the responsibilities of the pupil, as well as other key information that is helpful to parents in understanding the Steinert High School educational program. We hope you will make a special effort to attend.

The evening will begin in the school's auditorium followed by a guided tour of the various disciplines. Mixed into the tour will be a stop in our cafeteria and gymnasium where various clubs and sports teams will be on display. Attendees will have an opportunity to take a tour of the building guided by the school's Peer Leadership program throughout the evening. Appointments for individual conferences can always be arranged by calling the Guidance Office at (609) 631-4150.

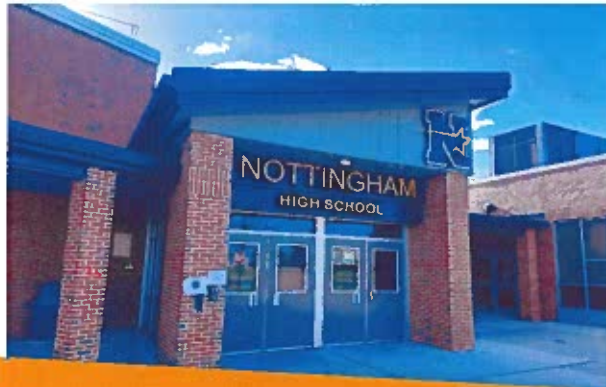

We look forward to having you as our guest.
