Question - How does my son get into PowerSchool I have it on my phone but does he access it on his chrome book?

Answer - Yes, and if the student does not have their username and password the student can reach out to their guidance counselor.

Question - Sometimes I click on the links posted on Crockett's main page and it says I don't have permission to view them, why is that? "Club" link for example.

Answer - Most items posted on Crockett main page are PDF documents for viewing only. If a form/document is sent to you without permission it is a document for you to view. As an example, the club link was set so that only someone with a Hamilton email address was able to complete the form. All Crockett students received an email with the form so that they could complete their request to join a club.

Question: What is the procedure for parents who are driving their kids to school? Do we just drop them off at the curb on Kuser Road?

Answer: Yes, when dropping your student off, please drop them at the curb on Kuser Road, by the Crockett sign.

Question: One hybrid bell schedule we received said "8:15-8:25 arrival/health checks" and another says "8:25-8:35 arrival /health checks/WIN." What time do the doors open in the morning?

Answer: The calendar that states "8:25-8:35 arrival/health checks/WIN" is the correct calendar. Student can begin arriving at school as early as 8:05am.

Question: If my student misses the bus, is not feeling well, etc. on an in person day, can he still attend school remotely that day and be marked present?

Answer: Yes, your student can remain home if not feeling and/or misses the bus and work remotely. Please be aware they will receive a code of "R" in PowerSchool which means, "absent from school, but present online." They will only receive a code of "R" if it is their scheduled day to be in the building, but they are working remotely. As usual if your student will not be attending school either in person or remotely, please call Crockett's attendance line.
