Dear Parents and Guardians,

Due to our early lunch, the fourth graders will be having a working snack in the afternoon, following recess. Students will be permitted to eat a snack as they complete their classwork. We are asking students to limit their snacks to the following options. As always, we encourage a healthy snack.

-Fruit/Veggies
-Pretzels (Rold Gold, Herr's or Bachman)
-Teddy Graham Crackers
-Honey Maid Graham Crackers
-Barnum’s Animal Crackers
-Triscuit/Wheat Thin Crackers
-Goldfish
-String Cheese
-Yogurt

**NO peanut or tree-nut snacks will be allowed in the classroom.***

Please do not send in juice boxes or drinks for snack, other than a daily water bottle. There is a *new* filtered station on the first floor which students can use to refill their water bottles.

This list will be posted on both teacher’s websites for reference.

Thank you,

Mrs. Flanagan & Mrs. Mercer
